1000 WATER STREET CONDO, TAMPA, FL

The Tampa Edition is absolutely exquisite! Having the luxury of a five-star hotel combined with the comfort of residential living, makes this the most desirable place to call home. The amenities alone are enough to make anyone feel pampered, from the full-service spa to the rooftop bar and pool, and having a Michelin-starred chef overseeing the culinary experiences is a true indulgence. But what really sets it apart is the privacy and exclusivity offered to residents. Having a limited number of homes per floor, along with a private residential entrance, lobby, concierge, and elevators, ensures a serene and intimate living experience. And with an on-premises manager and concierge team, residents can expect nothing less than top-notch service in every aspect of their daily lives. As for this 2-bedroom, 2.5-bathroom unit, the designer upgrades add a touch of sophistication and luxury, from the custom primary closet system to the redesigned primary en suite bathroom. And the attention to detail with features like custom millwork and living moss walls truly elevates the space. The kitchen is a chef's paradise with marble countertops, Gaggenau appliances, and a spacious waterfall island. Let's not forget the wide plank hardwood floors and floor-to-ceiling windows showcasing panoramic views of Tampa Bay and the downtown skyline! Absolutely stunning. It's the epitome of modern luxury living.
